

Build | Empower | Connect

Buy

Black e-Commerce creates an environment that empowers African-American businesses and consumers by redirecting buying habits back into our businesses and communities. **Black e-Commerce** creates new buying power in an online environment, creating a "new pride" and a "new togetherness" in African-American communities nationwide. **Blackecommerce.com** offers several ways for its members to build customer loyalty with minority-owned businesses, that ensures we leverage our Billion Dollar buying power to benefit our communities.

Coaching

Are you ready to explore some new possibilities in your life, but don't know how to get started? If you answered YES, take advantage of **Black e-Commerce's** Complimentary Coaching Session (CCS). **Black e-Commerce** also offers Small Business Startup Coaching & Advising. As your Small Business Startup Coach & Advisor, we'll guide you in building the business of your dreams.
